President's Message

I welcome you to Central Ford University. Here we strive to provide a quality education thanks to the state-of-the-art technology and a talented and experienced faculty. Central Ford University is one of the few accredited and recognized online institutions. Founded in late 90's, the University specializes in virtual learning, also known as online education. At Central Ford, we take pride in educating our students and in helping them build an international perspective. Our students connect with highly professionally trained foreign and native faculty members to develop internationally oriented attitude. Such openness to diversity provides richness to the learning of students at Central Ford University. We believe that the education we provide will prepare them to face the challenges of the modern world.

At Central Ford we not only provide education to inculcate progress in our student's career but also with the aim of increasing each person's awareness of human dignity. The promotion of human dignity, by necessity, produces a sense of social responsibility and a commitment to the needs of others. My team and I look forward to welcoming you to Central Ford, a university where you will not only re-fine your professional skills, but also become a better professional.

Regards,
Derek Mathews
